

## PESGB Surrey Group

### **Next Meeting 13th August at the White House in Guildford at 6.30pm**

The first meeting of the Surrey Group on the 22 May was well attended with over 60 representatives from 18 companies in the Surrey catchment area.

In terms of the meeting questionnaire: 90% of the replies were in favour of continuing to meet on a regular basis. 95% of the replies wished for a purely social/contact get-together, with 5% preferring a technical and social meeting.

The votes for the frequency were split evenly between meeting once a quarter or once every two months, with 10% of replies in favour of either.

With reference to location: 57.5% preferred Guildford, 22.5% wished for roving locations in Surrey, 9% for Woking, 4% roving locations in SE England, 3.5% Epsom & 3.5% Esher.

With the exception of the 13 August meeting, the Surrey group will plan to meet on the third Wednesday of February, May, August and November initially in Guildford with an additional social get-together annually in different parts of Surrey, possibly sponsored by one of the PESGB company members.

We would like to thank representatives of the following companies for their time and effort in responding to the questionnaire:

BG Exploration and Production  
Cultas Petroleum UK Ltd  
Department of Trade & Industry  
Dinosystems  
Energy Services  
Ernst and Young  
Geochemical Consultancy Services Ltd  
Independent Consultant  
KO Geological Consultancy Ltd  
Phillips Petroleum Co UK Ltd  
Ranger Oil UK Ltd  
Santos Europe Ltd  
Western Geophysical

After the successful initial group meeting on 22nd May the next group meeting will take place on the 13th August at the White House in Guildford at 6.30pm.
